

michigan celtic

Celtic spirit in the heart of the mitten.

July 12–13, 2024 @ the Fairgrounds

When you support the Celtic Festival, you are not only supporting the event, you're supporting the community and you're taking advantage of a great marketing opportunity: Michigan Celtic has become one of the largest events held in Washtenaw County.

Of course there are bagpipes & fiddles, but the festival also hosts nearly 50 local artists - providing them affordable space to share their work with the community. There are lots of kilts, many worn by the athletes who every year set national & world records. There's beer & food & some of the best performers in the country.
